

# Welcome Home!

Tips and information from the HOA welcoming committee to help your move go smoother.

## Mail Service

Although we are located in the City of Celina, our mail is serviced by the City of Aubrey. Make sure you have all mail sent to you using the Aubrey city and zip code (Aubrey, Texas 76227). Using the Celina city and zip code will result in your items returned to sender. The Aubrey address should also be used for all physical deliveries such as furniture or appliances.

## Driver's License

If you plan on filing for Homestead Exemption, make sure that your Driver's License displays your Celina address (Celina, Texas 75009). This is because you have to send in a copy of your driver's license with your Homestead Exemption Application and it must match your physical/legal address which is Celina.

Also, make sure that the mailing address for the DMV is entered into the computer as your Aubrey address (Aubrey, Texas 76227). If it is not, you will not receive your license in the mail.
