

SUTTON FIELDS

Some Garden Box Do's and Don'ts

DO

1. Enjoy your Garden Box
2. Tend to your Garden Box
3. Feel free to plant anything without a complex root system (ie do not plant trees)
4. Clean your Garden Box at the end of the season or prior to December 31st, 2023
5. Engage with others who are tending to their Garden Boxes

DO NOT

1. Plant trees
2. Use fertilizer, insecticides, or weed repellent in your Garden Box
3. Leave your Garden Box full of dead foliage after your harvest
4. Take anything from a Garden Box that is not your assigned Garden Box

Garden Boxes are intended to be for community enhancement and enjoyment. Please keep this in mind when choosing what to plant in your designated Garden Box.

Garden Boxes are open to planting beginning 03/15/2023. They have been topped off and tilled so additional soil should not be required for your planting.

PLEASE NOTE: There is a wait list for Garden Boxes. If you have decided you no longer want a Garden Box please notify us on the following account: landscapecommunitygarden@suttonfieldshoa.com

Happy Planting!
